

## **CHILDREN'S RIGHTS POLICY**

Children are our legacy to the future. Knowing them as individuals, respecting their rights, all kinds of psychological, physical, commercial, etc. It is our primary responsibility to protect and protect against exploitation.

To ensure this;

- We do not allow child labor in our own institutions and expect the same sensitivity from all our business partners.
- We provide environments/opportunities within the business that contribute to the development of children, where they can easily express their thoughts, wishes and feelings, and where they feel free and comfortable.
- We provide training to our employees on preventing and detecting child abuse.
- We make sure that children are under adult supervision in the activities they participate in.
- We organize trainings and support relevant projects to raise awareness about the protection of children's rights.
- When we witness suspicious actions regarding children, we first inform the hotel management and ask for help from official organizations when deemed necessary.
